As an of the World Series heroes from the White Sox's 2005 championship season, Konerko,retro basketball jerseys,immediately 33, remains a powerfully dependable veteran aboard the South Side.

He's never single-minded (Konerko is married and has a mini chap merely his activities don't extend too far beyond the diamond. Exceptions: rock 'n' reel (the headbanging kind) and hockey.

Before a recent game by U.S. Cellular Field, Answer Man caught up with Paulie (it wasn't too complicated he's kind of slow-footed) and examined Konerko's inner concert promoter David Brown: First topic: Postgame beverages. I've seen you drink orange soda pop later a game ... and I've seen you with beer Please rank your favorite orange pops as me.

Paul Konerko: Orange pop Orange pop I'm... a little confused. What's my favorite what?

DB: Orange soda pop You know, favor Crush?

PK: I think you did imagine it, baseball jersey custom, as I don't think I've ever drank an here, among this clubhouse. Beer? Now namely I've had.

DB: All right, beguile rank those.

PK: Beer? I favor Coors Light over, say Bud Light alternatively Miller Lite. But I like whether I had my choice I'd purchase something favor a Sierra Nevada. Fat Tire's agreeable too.

DB: They activity Metallica's "Harvester of Sorrow" while you come to the nickel What nearly your final metal concert lineup? Let's mention we put on a LollaPaulLooza.

PK: How much bands?

DB: How long of a concert are we talkin'?

PK: You differentiate me [laughs]. I don't know. Two days, three days.

DB: Nine hours. Six bands.

PK: All right, among no characteristic order: Let's go with Black Sabbath, Metallica (right), Pantera, Megadeth, Led Zeppelin wishing as Led Zeppelin, I surmise and then I'd slow it down a little bit with Pearl Jam and Alice among Chains.

DB: Alice within Chains is real slow these days.

(Here's a VIDEO link to an amusing interview Konerko did with Wolverine Eric Braverman.)

DB: You can often be seen with facial hair but what almost just a mustache?

PK: No [laughs].

DB: What do you have against them?

PK: I got nothing against them. I think guys namely wear them...

DB: Careful.

PK: have to be laborious That's never among manner anymore, so anybody who wears a mustache, I wouldn't mess approximately with.

DB: Isn't it coming back?

PK: As long as there's guys making jokes about other guys surrounded mustaches, it's never back It's only behind while it's "normal."

DB: What does it feel favor to buffet a grand slam among the World Series?

PK: Good feeling. You buffet home runs during a season, you hit grand slams, merely nothing's actually been on namely class It's kind **direk rose** of an out-of-body experience as a few minutes. You don't memorize also much; you memorize hitting it and you remember 15 minutes behind Not also much among between. The all afterward inning, duke basketball jersey, on defense it was still actually loud and actually buzzing That entire order the entire playoffs among common our fans were very loud This area gets very loud while there's a lot of people among it. Chalk an up as our fans. They actually showed up namely postseason.

After his grand slam against Chad Qualls (notes) among Game two his

subsequently at-bat came surrounded Game three He doubled against Roy Oswalt(notes) among the second inning.)

DB: Is the '05 Series starting to feel like a long time antecedent yet?

PK: Yeah. Yes and no In baseball,youth nba jerseys, things alteration quickly Things namely happen within April and May can,among the same season,arise favor 10 years antecedent among August and September. Three or four years surrounded baseball, that's like 10 alternatively 12 years within normal life. But,in the meantime there's still some of the same faces nearly here who were aboard namely crew I still feel namely we've been a more competitive team overall, since the World Series than we were before it. It still feels like we're still drawing from namely experience.

DB: What is it almost the NL's altitude affable right-handers Jake Peavy, Roy Oswalt who don't absence to come here? What's wrong with the South Side? Is it an odor?

It's probably the combination of changing alliances and having to go 1, personalized basketball jersey,000 or two, practice hockey jerseys,000 miles away from where they're from.

I don't think it's specifically the White Sox. I think there's a numeral of teams they wouldn't absence to go to, and that's their right, football jerseys for sale, for they got the no-trade clause surrounded their contract and I don't reprehend them. There might be 10 teams out there, merely we're the ones who are trying to acquaint moves so it comes up more.

DB: Would you guys take the Cubs' Gatorade dispenser now that it's on the open market?

PK: Would we take it? Yeah. You'd must ask [clubhouse man] Vince Fresso. He handles the equipment/beverage budget I'm going to say it wouldn't be a big command for they're tough They have all the vary flavors. I don't think Vinnie wants the accompanying go.

DB: Would you treat it well?

PK: It wouldn't last two days among our dugout [laughs].

DB: Did A.J. (Pierzynski) behave himself along the White House?

PK: Everybody did. It's actually an intimidating place You kind of fall within line when you obtain there. There's a lot of eyes aboard you there, a lot of security. If you acquire out of line, how to frame a sports jersey, you'll probably be aboard your face ahead you know it.

DB: What was your reaction when Octavio Dotel hugged President Obama?

PK: Not overly surprised. I figured Dotel would do something screwy; that's kind of "him." The President was a agreeable sport about it and everybody had a comely laugh It didn't surprise me, afresh because nothing does with Dotel.

DB: Which public diagram would you highest like to hug?

PK: Which public figure would you most favor to hug I'd favor to have met Mickey Mantle. I don't know almost a hug but definitely a handshake and a beer Sit down with him and chat about some baseball. That would be a good night.

DB: Why aren't you ever the third-string catcher?

PK: Yeah, baseball jersey sizes, I stopped catching in '95. Let's impartial leave it right there. If it gets to the point, nba jersey sizes, where, the crew absolutely needed someone else to go behind there and there was nobody else, I'd give it a crack. But we're going to exhaust all other options ahead it gets there. I've hung up the gear as agreeable.

DB: You were never blessed with eminent velocity Keeping it clean, what quality do you have among eminent abundance?

PK: I would must say People would say I have a appealing sense of humor, barely whether you must say you have a good sense of humor, you probably don't have it. So I'm never going to advert namely.

DB: Very analytical. Can you differentiate jokes?

PK: I'm never much of a joke teller. I'm much more of a drier... observational fellow Trying to be humorous without laughing is more the way to go. What do I have surrounded excellent abundance? Man, now namely I think nearly it, nothing. I feel favor I'm drained everywhere.

DB: There is a chip of biographical information nearly you floating approximately on the Internet namely seems pretended but it's too funny and harmless that you "and your brothers Trace and Haus sing surrounded the Konerko Trio." What does namely mean?

PK: Somebody else brought namely up to me. All I can mention to disprove it is I do never have those siblings. That smart much ends it right there.

DB: You've never been among a crew called the Konerko Trio?

PK: No. No,mlb jerseys wholesale,namely sounds like somebody was out there playing a joke and it caught on It's complicated to have a trio while you only have an brother, whose appoint is neither of the two guys you mentioned. You acquire a lot of folk along household and sometimes they have also much period their hands. When it comes to computers they've ache as much as they've helped among this world.

DB: You are the profession actuator within household runs (305) as someone born surrounded Rhode Island pop.1,050,788). Did you know that?

You have an homer as every three,455 persons among R.I.

PK: Wow,namely feels good to break it down a little more. I like how you manipulated the numbers to acquaint me sound a lot better. Well, you've got Rocco Baldelli(notes). He's probably the highest notable Rhode Islander as I think he still resides there. I've got a lot of home there and I'm definitely arrogant to mention I'm from Rhode Island.

DB: Will you assistance Mr. Reinsdorf [White Sox boss and Arizona dweller purchase the Phoenix Coyotes? They're in a blot.

PK: I would adore to. I [live resemble Phoenix, I'm a fan, I'd favor to reserve the team there.

So,create your own basketball jersey,however helps. I told them I'd purchase a season stamp or two if it helps the crew stay.

DB: Big spender.

PK: Yeah [laughs]. I don't know how much else you can calculate on me as Seriously,notwithstanding any involvement would be great Phoenix is a excellent metropolis If it's done right, it can definitely have a hockey team there.
